OFICINAS GRÁFICAS DA LIVRARIA DO GLOBO - P. ALEGRE

Prezados clientes e amigos

Facilitar a satisfação das mutuas necessidades é uma das regras de comercio que não devem ser descuradas.

Foi em obediencia a este principio que organizamos e oferecemos á nossa distinta clientela este Catalogo, cujo fim é justamente facilitar a cada um a escôlha exata dos artigos necessarios ao desenvolvimento dos seus negocios.

Fizemo-lo relativamente resumido em confronto com o grande e variadissimo sortimento de artigos que fabricamos em nossa Secção de ENCOUREAMENTO E MONTARIA, com que estamos aptos para satisfazer integralmente as necessidades do comercio deste ramo, mas organizamo-lo, contudo, com os elementos indispensaveis para prestar a utilidade desejada.

De ecôrdo com a orientação que a nossa casa vem mantendo desde a sua fundação, ha mais de 40 anos, todos os artigos que produzimos se distinguem pela sua superior qualidade, solidez e esmerado acabamento, o que nos permite dar, como damos, completa garantia sobre os mesmos, assegurada pelas nossas marcas registradas:

"Alpaca Eberle" - "Eberline" - "Solidonickel"

vastamente conhecidas e cada vez mais reputadas em todo o Paiz e no estrangeiro.

A nossa experiencia de longos anos, posta sempre ao serviço dos nossos prezados clientes, é já por si uma garantia valiosa das condições em que nos encontramos de satisfazer plenamente em qualquer trabalho do nosso ramo, dando a certeza de podermos corresponder em tudo á confiança com que nos honrem.

Certos de termos cooperado para facilitar o desenvolvimento de reciprocos interesses reiteramo-nos de V. V. S. S.
